

Dear [FIRST NAME],

It's been a thrilling few weeks at St. Michael's Foundation. Golfers hit the greens for the Urban Angel Golf Classic. Angel Ball came together with the Silver Ball silent auction to raise funds for the Schroeder BRAIN&HEART Centre and Providence Healthcare. And just last night, we had the grand opening of our world-class BARLO MS Centre.

That's just the warm-up to a busy season ahead. In November, we're launching our most audacious initiative yet – stay tuned for more details. And St. Michael's high-energy, high-stakes medical research competition [Angels Den](#) will be airing on November 18. We hope you'll join us for what's shaping up to be an enlightening, inspiring and entertaining fall.

I wish you all a wonderful Thanksgiving! As always, thank you for your tireless support.

Sincerely,

**Lili Litwin**, CFRE  
 President, St. Michael's Foundation

## INTRODUCING THE BARLO MS CENTRE

Thanks to the vision and generosity of the Barford and Love families, and the support of more than 400 donors, the new BARLO MS Centre at St. Michael's Hospital officially opened this week. Welcome to an entirely new patient experience.

This is not just an architectural masterpiece. It is Canada's only MS centre that provides one-stop care by the world's top experts. [Click the image](#) below for a 360-degree tour of our state-of-the-art facility.

## URBAN ANGEL GOLF CLASSIC

Donors jumped into action at the Urban Angel Golf Classic on Sept. 21 to raise \$500,000 for St. Michael's most urgent priorities, including new equipment for the hospital. Even though we scaled down the event, we scaled up the fun with prizes and activities at holes throughout the course. Thanks to you, we're still Canada's premier charity golf tournament.

## TOGETHER AT LAST: ANGEL BALL RAISES \$3 MILLION

While our signature Angel Ball may have looked a little bit different than in the past, across the city, many of us finally had a chance to be together, at last. Our heartfelt gratitude to the hosts and sponsors of Angel Ball, who helped raise \$3 million for the Schroeder BRAIN&HEART Centre.

Meanwhile, the Silver Ball auction spawned lots of excitement and funds in support of Providence Healthcare. Our reimagined gala and silent auction were a winning combination. None of this would have been possible without our generous donors. To BMO, CIBC, RBC, Scotiabank and TD – thank you for being our partners in health care.

## CANADA'S HOTTEST MEDICAL RESEARCH COMPETITION IS BACK

# ANGELS DEN

**Join us on November 18 from 7-8 p.m.**

Tune in to the 7th annual [Angels Den](#), streaming online at 7 p.m. on Thursday, November 18. Six teams of all-star scientists will battle it out as they pitch their breakthrough research ideas to celebrity judges — entrepreneur and business guru Joe Mimran, Cityline host Tracy Moore and neuroscientist Samantha Yammine, also known as Science Sam — and a jury of community and business leaders. At stake? \$500,000 in research funding and the right to claim the top medical prizes in the country. You can also vote for your favourite team to win the Canada Life People's Choice Award.
