THE MOVEMENT TO REINVENT THE PATIENT EXPERIENCE.

St. Michael's Foundation

ST MICHAEL'S HOSPITAL PROVIDENCE HEALTHCARE

2021/22 ANNUAL REPORT

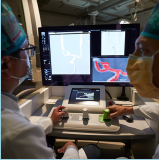

What a year. It tested our mettle in ways we could never have imagined.

Yet against extraordinary odds, St. Michael's Hospital and Providence Healthcare set new standards and achieved international acclaim in pandemic-related research and care. Meanwhile, St. Michael's Foundation also did the unprecedented. We launched the biggest, most audacious campaign in our history – **HUMANCARE**, a \$1-billion movement to make health care more human.

HUMANCARE is no longer just an idea. It is happening across our hospitals. And it's gaining momentum.

Take a look at what we've accomplished – thanks to our relentless donors, volunteers, staff and friends. [Because of you](#), St. Michael's and Providence will stop at nothing to deliver the care experience every Canadian deserves.
